May 29th @ 7:30 & 30th @ 3PM - Human Landscape Dance

[Human Landscape Dance](#) is coming to the Painted Bride on Saturday and Sunday May 29th/30th as part of the Philadelphia/Washington DC Dance Exchange. I have had the pleasure of dancing and speaking with Malcom Shute on numerous occasions and have always found him insightful and committed to the art that he and Human Landscape Dance produce. They utilize a lot of Contact Improvisation in the creative process and I encourage you to read his treatise on CI and how they use it here: <http://www.hldance.org/node/104> as well as check out their website in general: <http://www.hldance.org/>

Please come out and support these guys. They've come up here for festivals and classes and we can definitely show them some love.

The show is at 7:30PM 29th of May and 3PM on the 30th @ The Painted Bride
They'll be performing with Anne-Marie Mulgrew and Dancers Co. <http://www.annemariemulgrewdancersco.org/> on a shared bill.

Hope to see you there.
